2012 SUMMERSING MONTANA

MUSIC AND ART CAMP FOR WOMEN

JUNE 22-29
at YMCA Camp Child

GUITAR/UKE SUMMERSING CHOIR VOICE

Join Singer-Songwriter **JUDY FJELL** and her staff for Summersing Camp at Camp Child in the mountains near Helena, Montana. There are activities for every woman, whether a seasoned musician, a serious artist, or a curious dabbler. In addition to classes, there are always opportunities for good conversation, a quiet hike, and playing music together. Mornings at camp begin with bird and wildflower walks and an Om Tare dance meditation.

VIOLIN/FIDDLE MANDOLIN SUMMERSING CHOIR

BETH YOUNGBLOOD teaches all ranges of players on violin, fiddle, and mandolin. Summersing is blessed by her beautiful voice and joyful presence.

PHOTOGRAPHY

KATIE KNIGHT has taught Summersing classes in giant puppet-making, batik, cyanotype, and printmaking. This year she will teach us how to use light, intention (and Photoshop if you wish) to yield our best possible photos.

BUCKET DRUMMING PERCUSSION

STORMI OSHUN's energy and enthusiasm call up unbelievable precision in the Summersing Bucket Drum Corps, even in just one week. This year she'll be teaching many African rhythms as well as drum-accompanied songs. BIG FUN!
